## IF YOU HAVE THE RIGHT TO WORK, Don't let anyone take it away.

If you have a legal right to work in the United States, there are laws to protect you against discrimination in the workplace.

## You should know that -

No employer can deny you a job or fire you because of your national origin or citizenship status.

In most cases employers cannot require you to be a U.S. citizen or permanent resident or refuse any legally acceptable documents.

If any of these things have happened to you, you may have a valid charge of discrimination that can be filed with the OSC. Contact the OSC for assistance in your own language.
